

PARENT/GUARDIAN RELEASE FORM

We carefully monitor the pick-up and drop-off of campers for the safety of you and the camper. We are requesting a list of all people who have consent from the parents/guardians to pick up the camper at the end of day. Also, as in previous years, parents/guardians **MUST provide instructors with a photo-ID** when signing out the camper at the end of the day. If you do not present ID you will not be allowed to take the camper. This is to eliminate any conflicts that may arise during pick-up time and to ensure the safety of the camper in question.

We allow campers to leave alone at the end of the day with your written permission.

We sincerely thank you for your help in our efforts to implement a safe environment for our campers.

Many thanks,
Science Quest Directors
